LT. GOVERNOR

Dear Friends,

Welcome to the 2019 fair season! Local and county fairs are a long-standing, family entertainment staple that pay homage to our rich agricultural heritage while highlighting the incredible diversity of Michigan's food and agriculture sector.

Millions of Michiganders and tourists attend our local and county fairs every year. These events are wonderful opportunities to experience Pure Michigan at its finest. In fact, food and agriculture has always been an integral part of our state, and its future has never been brighter. There's a lot to be excited about in Michigan agriculture today. It's a cutting-edge industry filled with career potential, growth, and economic success. The fair season is a celebration of all that food and agriculture contributes to our great state.

I am proud of Michigan's 4-H program and the tremendous accomplishments of our FFA peers. Thanks to Michigan's local and county fairs, Michigan youth have opportunities to showcase their hard work while educating fairgoers about the state's food and agriculture industry. You won't want to miss the exhibits that put their talents on display.

Our county fairs are full of local charm and agricultural traditions. This year, be sure to visit one of Michigan's local or county fairs as part of your summer family vacation plans.

Sincerely,

GARY MCDOWELL
DIRECTOR

Dear Friends:

Welcome to the 2019 county fair season!

Michigan's 86 local and county fairs have been providing family-friendly entertainment, celebrating the uniqueness of each of our communities, and showcasing the diverse bounty of Michigan agriculture for decades.

Our local and county fairs continue to play a role in moving Michigan forward by helping to reconnect consumers and communities with agri-food traditions like supporting our farmers by buying locally-grown food. It also provides a stage to highlight the next generation of food and agriculture entrepreneurs and farmers.

By supporting your local county fair - whether as an attendee or as an exhibitor – you're also contributing to the growth and economic vitality of your community. We're very proud of our area community businesses, fairgoers and families who support our young exhibitors' college educations through livestock auctions held at the county fairs.

I encourage all Michiganders to attend a local county fair as we look to grow the next crop of leaders who will help shape our future.

Sincerely,

A handwritten signature in cursive script that reads 'Gary McDowell'.

LIVESTOCK EXHIBITION

CODE OF CONDUCT

The Chelsea Community Fair Board has developed the following CODE OF CONDUCT as it relates to animal exhibitions at the Chelsea Community Fair.

The Chelsea Fair Board expect courteous and orderly conduct by exhibitors and attendants. Harassment, profanity or un-sportsmanlike conduct toward officials, judges, show managers, staff, superintendents or other exhibitors will not be tolerated.

SPECIAL CONSIDERATION FOR HANDICAPPED YOUTH:

Special consideration in judging will be given to exhibitors identified on fair entry forms as having handicap(s), (physical, mental, emotional, and/or learning), which affect their ability to compete effectively with non-handicapped exhibitors.

During the fair, it is the individual member's responsibility to prepare his/her animal for show. Members may only be ASSISTED in this preparation by club leaders, club members, or immediate family members (parents, guardians, brothers, sisters).

All animals at the Chelsea Community Fair will be checked by the club superintendent(s) for proper identification prior to showing or sale.

All market livestock, after it is tagged and registered as a club member's animal, shall be kept at their place of residence. Any exception to this rule must receive approval from the Club Superintendent and/or the Chelsea Community Fair Livestock Rules Committee prior to the movement of the animal. Any tagged and registered animal may be inspected at the club member's residence by the club superintendent or Livestock Rules Committee Member, given a one hour notice prior to inspection.

All exhibitors selling animals in the Chelsea Community Fair Livestock Auction must be YQCA certified for the current year (Youth for the Quality Care of Animals).

All exhibitors of livestock at the Chelsea Community Fair are expected to keep the area around their animal (pen/stall) clean and presentable for the duration of the fair. Exhibitors are also expected to properly care for his/her animal for the duration of the fair, (feed, water, clean bedding). Failure to properly care for their animal during the fair will cause the exhibitor to be disqualified from this year's fair, and suspended from the next Chelsea Community Fair. Violation of this rule will be determined by the Chelsea Community Fair Livestock Rules Committee.

"COACHING" of a given exhibitor while he/she is in the show ring is PROHIBITED. Coaching includes, but is not limited to, providing any type of verbal and/or visual information/signals intended to direct the actions of a given exhibitor and thereby improve his/her potential for placing in the class. Exhibitors determined to be the intended recipient of said coaching activities may be disqualified from the class at the discretion of the Show Officials or Livestock Rules Committee.

An exhibitor and his/her animal may be excused from the ring, at the discretion of the judge or show superintendent if the behavior of the animal is deemed to be a safety hazard and/or is seriously affecting the ability of the other exhibitors to show their animals.

Animals entered in the showmanship classes are to be shown by the club member only. Since judging in the showmanship classes is based on the member's ability to fit and show his /her animal to its best advantage, adult assistance may only be provided to secure and return a "run-away" animal to the exhibitor, with the assistance preferably being provided by show personnel.

Animals entered in the breeding stock or market livestock classes may be shown by someone other than the exhibitor (club member) in the event of a personal emergency or a scheduling conflict that prevents the exhibitor (club member) from being present to show his/her own animal. It is highly recommended that the "substitute exhibitor" be another club member. Any "substitute exhibitor" must first be approved by the club superintendent(s). Additionally, an adult may assist the exhibitor in the ring in the event of an unruly animal.

“Assistant handlers” will be allowed in the show ring in classes showing a pen of animals (sheep/swine). These assistants must be a current member of a livestock club at the Chelsea Community Fair or a Chelsea Community Fair Youth Livestock exhibitor of the current year

ANY VIOLATION OF THE FOLLOWING RULE WILL AUTOMATICALLY RESULT IN DISQUALIFICATION;

The use of any drug or chemical compound that is not approved by the Food and Drug Administration for use in meat animals is prohibited. The illegal administration of approved drugs and compounds is also prohibited. All animals entered in the Chelsea Community Fair are subject to blood, urine and tissue tests by the Livestock Rules Committee, FDA and USDA for illegal substances and substances that exceed the acceptable levels established by the United States Department of Agriculture, the Food and Drug Administration, the Food Animal Residue Avoidance Databank and Environmental Protection Agency. A positive test will result in disqualification. The exhibitor shall assume full responsibility for any violation of regulations related to drugs and medications to include withdrawal times and condemnation or carcasses due to drug rule-regulations violations. This includes forfeiture of all premiums and market value of animal. All premiums will be withheld until tests have been completed.

Artificial means of adding, removing and/or remedying physical defects and/or conformation in animal exhibits including, but not limited to, lifting and/or filling under the skin; beating and/or striking and/or icing of an animal to make it tense its muscles and feel firmer when handled by the judges to determine amount and firmness of muscling and/or to “fill” an area as a result of swelling; use of pain inducing compounds and/or equipment; false switches; hair not growing naturally in the specific location; and painting, dyeing or bleaching of hair to change its’ color will be considered fraud and deception. The decision of the designated official(s) shall be final as to the existence of the above conditions; and, the animal(s) in question will be disqualified.

Show sticks, whips, bats, crops and spurs may be used in accordance with their intended use as show aids, as class rules allow. However, improper, abusive use of show aids will not be tolerated.

Tampering (altering) and/or misrepresentation as to ownership, breeding, age, preparation and/or other irregularity in exhibiting will be considered fraud and deception.

If the Chelsea Community Fair Livestock Rules Committee suspects substance abuse regarding livestock, they may require the animal to be subject to examination and/or test, as prescribed, to determine if a substance has been administered to an animal to alter its’ conformation and/or temperament. Administration of said substances will be considered fraud and deception.

If an illegal substance (as defined in the paragraph above) is found to be present in urine, blood and/or tissue samples taken from a given exhibitor’s animal(s), payment for said testing will be the responsibility of the exhibitor and/or his/her family. If tests for suspected illegal substances are negative, payment for said testing will be paid by the Chelsea Community Fair Board or the person making the formal complaint

ANIMAL EXHIBITOR DRESS CODE:

Exhibitors may NOT wear medals/pins, shirts, T-shirts, jackets, coats or apparel which displays a farm name or title/award(s) won by the exhibitor, or which represent that the exhibitor is involved with and/or a name or member of a particular species/breed association while exhibiting in any animal classes at the Chelsea Community Fair. Exhibitors MAY wear clothing which represent membership in a particular Chelsea Community Fair Club.

NOTE: Volunteers working at the fair as show superintendents, announcers, ring stewards or judging clerks may NOT wear articles of clothing which associate them with a particular farm, or specie/breed association.

The intent of the animal exhibitor dress code is to make exhibitors as “equal” as possible when they enter the show ring with their animal(s), and to reduce the potential for the perception existing that a member may have received preferential treatment in class placing due to the exhibitor’s “advertised” association with a particular farm and/or specie/breed association.

In a like fashion, the rule regarding volunteers assisting with fair livestock shows is intended to help protect the volunteer (and youth associated with him/her through family and/or farm) from the suggestion being made that his/her child or club member under his/her leadership received preferential treatment in class placing due to some “advertised” connection between the exhibitor and the volunteer working in the show ring.

PENALTIES FOR MISCONDUCT:

When satisfactory evidence has been obtained that a Chelsea Community Fair rule has been violated, and/or fraud and/or deception has occurred in association with exhibiting in the Chelsea Community Fair, any or all of the following actions may be taken:

1. The animal(s) in question shall be disqualified.
2. Any and/or all other animals or exhibits at the Chelsea Community Fair of the exhibitor may be disqualified.
3. All premiums, trophies, awards and/or money won by said exhibitor in any other Chelsea Community Fair department may be withdrawn.
4. The exhibitor and/or the exhibitor’s family may be barred from club membership, and/or competition at the Chelsea Community Fair for a period up to life.

Should fraud or deception be discovered or if a Code of Conduct Rule is violated PRIOR TO FINAL PLACING BY THE JUDGE, the animal will be declared ineligible to show, and the exhibitor will be required to remove the animal(s) in question from the fairgrounds.

Should fraud or deception be discovered or if a Code of Conduct Rule is violated AFTER AN ANIMAL(S) HAS BEEN JUDGED, the placing(s) will be voided and the exhibitor required to remove the animal(s) in question from the fairgrounds. In the case of fraud or deception discovered after MARKET LIVESTOCK have been judged and prior to sale in the appropriate Chelsea Community Fair Livestock Sale, the placing(s) will be voided, and the animal(s) in question will not be permitted to sell in the sale. The exhibitor will be required to remove the market animal(s) in question from the fairgrounds.

Should fraud or deception be discovered or if a Code of Conduct Rule is violated AFTER A MARKET ANIMAL(S) HAS BEEN SOLD in the Chelsea Community Fair Livestock Sale, all sale money associated as a reward shall be removed from the total sale price of the animal(s) and retained by the Chelsea Community Fair Livestock Rules Committee as a penalty for the action. The money provided the exhibitor will be that of the sale day’s market value as determined by a majority decision of the Chelsea Community Fair Board. Other animals will not be moved up in placing. In case any reward has already been awarded, the Chelsea Community Fair Board of Directors will require said exhibitor(s) to refund all premiums, trophies, awards, ribbons and/or sale money under the assessed penalty.

HANDLING OF COMPLAINTS:

Chelsea fair club members, leaders, and/or parents compelled to bring a Chelsea Community Fair rules violation complaint against a given member(s) will be required to complete and sign a Chelsea Community Fair Rules Violation Complaint Form, stating the reason(s) and alleged grounds for registering the complaint.

Any member(s) against whom a Chelsea Community Fair Rules violation complaint has been filed will have the right to read the complaint form.

The Chelsea Community Fair Livestock Rules Committee reserves the right to determine whether sufficient evidence exists to merit further action.

DUE PROCESS:

In question of rule(s) violation in association with exhibiting animals at the Chelsea Community Fair, the following due process will be used:

1. The exhibitor and/or parties involved will be questioned by the appropriate officials, regarding the alleged rule violation(s).
2. If it is determined that a rule(s) violation has occurred, the Chelsea Community Fair Livestock Rules Committee will jointly decide if a ruling can be rendered immediately, or if the violation should be brought before the Chelsea Community Fair Board of Directors for a ruling.
3. If, for reasons of further inquiry, a decision regarding a rules violation claim cannot be rendered until some future time following the fair, all parties involved will be notified by certified mail, with return receipt, of the Chelsea Community Fair Livestock Rules Committee's decision.
4. Club members have the right to appeal the levying of a Chelsea Community Fair rule(s) violation penalty(ies) associated with animal exhibition at the fair according to the following process:
 - a. The member must request a hearing before the Chelsea Community Fair Livestock Rules Committee. Request must be made in writing to the Chelsea Community Fair Board of Directors.
 - B. All parties involved will be notified by certified mail, with return receipt, of the hearing date, time and location.
 - c. All parties involved will have the right to present their case as to why he/she/they feel the penalty(ies) should be reconsidered.
 - d. All parties involved will be notified in writing within ten (10) business days by certified mail, with return receipt, of the Chelsea Community Fair Livestock Rules Committee's decision regarding the appeal.

SICK ANIMALS:

It is the exhibitor's responsibility to obtain a veterinarian to care for their animal(s), if required.

The Chelsea Community Fair Livestock Rules Committee reserve the right to require a veterinarian's opinion on the health and/or carcass marketability of any animal prior to the show and/or livestock sale.

LOADING OF AUCTIONED ANIMALS:

No animal will be loaded for transport without the approval of a Chelsea Community Fair Board Sale Committee or their designate.

RULES COMMITTEE:

A committee will be formed to review the Chelsea Community Fair Code of Conduct as it relates to animal
